

For Your Own VACATION *or* HONEYMOON Party at HAVANA SOCIAL!

THE PARTY JUST KEEPS ON GOING!

Soho Hospitality brings to you their next F&B concept in Bangkok - Havana Social, a pre-revolutionary 1940's vintage cocktail bar, taking you back to the days when Havana was the Las Vegas of the Caribbean.

And so the story goes...

In the decadent jet-set heaven of 1940's Havana was a pleasure dome where the shows (and showgirls) were dazzling, the gambling was high-stakes, and the revelers included Marlon Brando, Ernest Hemingway, Rita Hayworth, and J.F.K., to name a few. At Havana Social, a small institution across the street from the famed Tropicana nightclub, a community of people converged at the bar. It was a unique place where the middle- and upper-middle-class, the lower – and higher rich and the aristocrats all mixed together. Smoking cigars and drinking their favorite rum, laughing and having fun with all those fabulous dances and songs. It was a reason to celebrate, the height of glamour, the only place to go in the peak of H a v a n a ' s heyday, until the night Fidel Castro's revolutionaries took the floor.
