

CONTEMPORARY VIETNAMESE COCKTAILS & CUISINE

A PRIDE OF PLACE

The Triệu Institute provides a contemporary twist on Vietnamese cuisine, paired with bespoke craft cocktails. Each drink and dish has been created with the finest local ingredients to explore and compliment the diverse flavours of Lady Triệu Gin.

A JOURNEY OF DISCOVERY

A female led venue, inspired by the legend of Lady Triệu. The details of our curated decoration and menu, provide a journey of empowerment and discovery, through the incredible plant & botanical life available across Vietnam.

Alongside select dishes on the menu you will find a coloured stamp. This stamp represents the region that has inspired the ingredients and flavours of that particular item.

-  **MEKONG DELTA DRY GIN**
-  **HOI AN SPICE ROAD GIN**
-  **DALAT FLOWEROBOMB GIN**
-  **SAPA CITRUS TEA GIN**
-  **CONTEMPORARY VIETNAM GIN**

You can choose to pair each dish alongside a cocktail created with the same regionally inspired Lady Triệu Gin. All plates pair well with Lady Triệu Contemporary Vietnam Gin, crafted using a bold but harmonious blend of unique botanicals from all regions of Vietnam. Feel free to ask The Triệu Institute Team for their cocktail and cuisine recommendations.
